

*Expert UK-based CRO offering customised bioassay development, pharmacological profiling and compound screening*

### Welcome to the latest edition of our newsletter

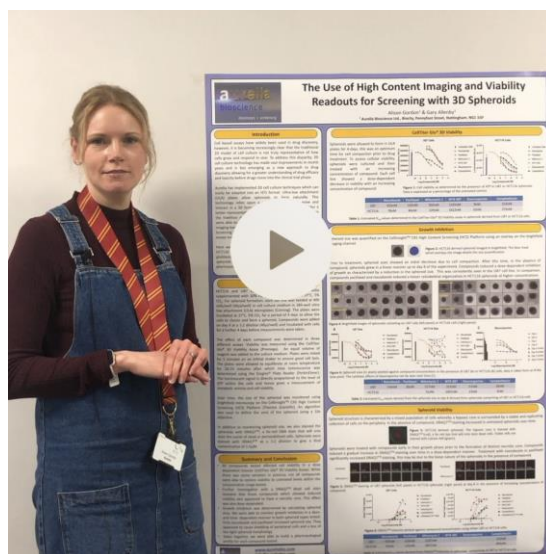

Happy New Year to all our readers! As we begin 2020 refreshed from the holidays with renewed enthusiasm, below is a snapshot of what we have been up to in the past few months:

### New video: Poster on 3D Spheroids

Watch this video to learn more about our poster on ‘The Use of High Content Imaging and Viability Readouts for Screening with 3D Spheroids’ that we presented at ELRIG Drug Discovery 2019 in Liverpool, UK last year.

[https://youtu.be/2QGuAG-\\_s8A](https://youtu.be/2QGuAG-_s8A)

Follow us on YouTube for more videos: <http://bit.ly/399Slar>

### Careers in Discovery Podcast

Follow the link to an interesting podcast on our CSO and Co-founder, Gary Allenby’s entrepreneurial journey and his views on starting a Contract Research Organisation: <http://bit.ly/375LUDE>

Careers in Discovery
